A. SWIFFER® DUSTERS PROCTER & GAMBLE

Swiffer Dusters use thousands of soft, fluffy fibers that can change shape to fit wherever they must go with a handle that allows you to get to where you can't reach. You'll be surprised to discover how easy it is to dust both small and large areas. When you're finished cleaning, just toss the duster and the dust into the garbage. Extendable handle extends to 3'L and allows the Swiffer duster to reach and dust even more areas.
