

Entrance, Anti-Fatigue & Bathroom Matting

MATTING

A. WATERHOG™ PREMIER FASHION ENTRANCE MATS THE ANDERSON CO.

Unique ridged construction effectively removes and traps dirt and moisture beneath shoe level. Exclusive rubber-reinforced face nubs prevent pile from crushing, maintaining high performance and extending product life. Premium polypropylene fiber system allows fabric to dry quickly and prevents fading and rotting. Mats can easily be vacuumed or hosed off. Anti-static ratings averaging 1.2kV with a maximum average voltage of 1.6kV as measured by the AATCC. Waterhog™ Fashion's highly durable, attractive fabric border makes it the perfect choice for indoor or outdoor applications. Available in flat or gripper backing types. Exclusive "water dam" allows Waterhog™ Fashion to trap dirt and water so they stay in the mat and off your floor, minimizing slip hazards and floor damage around the perimeter of the mat. 3/8" pile height.

ANTI-FATIGUE MATTING

B. COMFORT FLOW ANTI-FATIGUE MATS THE ANDERSON CO.

Lighter in weight for easier handling. Fully launderable mats that perform great as anti-fatigue mats and as flow-through mats in wet or dry environments. Constructed of 100% high density closed cell nitrile rubber cushion, which is far superior in grease and oil resistance than other "grease-proof" mats. Provides excellent anti-fatigue properties for added employee comfort and improved ergonomics. Low profile, 3/8" thick, and slip-resistant surface reduces slip and fall accidents. Non-skid backing keeps mat in place. Antimicrobial treatment guards against degradation from microorganisms and minimizes mats being a source of odors. Standard sizes: 2' x 3', 3' x 5', 3' x 9' and 4' x 6'.

40160451	4203X9	3' x 9', Black	1/ea.

C. HOG HEAVEN™ ANTI-FATIGUE MATS THE ANDERSON CO.

Solid nitrile rubber top surface for better chemical resistance. Textured nitrile rubber bottom surface for superior slip resistance. Closed-cell nitrile/PVC cushion backing provides long-lasting comfort without breaking down. 100% nitrile rubber border remains flexible for the life of the product and will not crack or curl. Available in black and OSHA - approved striped border colors: Yellow, Red, Green and Orange.

BATHROOM MATTING

D. URINE FLOOR GUARDS NILODOR

Nilodor's Urine Floor Guards are manufactured with super absorbent fiber. Every floor guard will hold more than a quart of liquid. They also help protect the floor surfaces from discoloration, stains, and uric acid damage.
